

Dear Skiers and Coaches

The Canadian Eastern Championships Organizing Committee 2018 (CECOC2018) extends a warm invitation to attend the Haywood NorAm Canadian Eastern Championships.

The CECOC2018 is a joint initiative of clubs in the Ottawa-Gatineau cross-country ski community, namely:

- Nakkertok Nordic
- Club Skinouk
- Chelsea Nordiq

The event takes place Friday, 2-4 February 2018 at the Nakkertok South Nordic Centre, in Gatineau/Cantley, Québec.

The Canadian Eastern Championships is part of the Haywood NorAm Series, Canadian Sprint Series, FIS Continental Cup Series, US Ski & Snowboard SuperTour, Coupe Québec, Ontario Cup, National Capital District Series, Ontario and Quebec University/College races, and Para-Nordic Nationals.

We look forward to welcoming athletes, coaches, and their families.

Jacques Dumont and Cathryn Bjerkelund

SEEDING AND CATEGORY ELIGIBILITY

All Open category skiers (Seniors and Juniors) are seeded together by gender for the Sprint Qualifying round in order of Sprint CPL with the best starting first. Unless the Competition Secretary receives notice of an athlete's intent to race up at the TCM on 1 February, 2018, qualifying Juniors will be entered into the Junior quarterfinal heats. The CPL list used will be 4th list: 26/01/2018.

USSS skiers with FIS Points are included in the Canada Points List. US skiers without FIS license will be seeded accordingly to their results at the US Nationals and the Mont Ste. Anne NorAm.

For the prologue, the start order for all categories, including Midget, will be by Distance CPL. Those not on the CPL including those with a SMDL will be randomly placed following the last CPL-listed skier.

For interval start distance races, the Distance CPL will be used when seeding all categories. Within each category skiers will be ranked based on distance CPL. Groupings will then be formed based on the number of skiers in the combined category. Start positions will then be randomly assigned within each group. The decision of the Jury will specify the order of start for each group. Athletes without CPL ranking or with a SMDL will be assigned to a separate group and randomized. The CPL list used will be

Number of groups will be as follow:

- 10 and less participants: 1 group
- 11-20 participants: 2 groups
- 21-30 participants: 3 groups
- 31 participants and more: 4 groups

For the pursuit start, start order will be based on results of the interval start race on Saturday. The winner of the race will start at 0:00 while other skiers will start by their time difference with the leader. The Jury will determine the time behind the leader that the remaining skiers will start as one group in a heat start. Skiers must start and finish the Interval Start race in order to be able to start the Pursuit the next day.

For the mass start race, seeding and bib assignment for all categories, including Midget, will be by Distance CPL. Those not on the CPL including those with a SMDL will be drawn as a group and placed behind the last CPL-listed skier. Chevron will be used to assign the start positions.

Skiers seeking to meet the criteria for selection to provincial teams should register in the appropriate category indicated in the table above.

Masters age Men and Women may register and compete in Open Categories by registering as Seniors.

University skiers of Junior age can compete in either Junior or Senior categories, but not both and must chose the same category for all events of CEC. For the sprint competition, skiers will be ranked according to the qualifying round only.

As indicated in the CCC Competition Model, athletes may “race up”. Athletes wishing to do so should consult with their coaches and/or parents to select the most appropriate race category. One of the considerations may be whether skiers are seeking to meet criteria for provincial team selection.

LICENSING

- A. All skiers, including Midgets and University competitors, must hold a valid racing license issued by CCC, or hold a recognized national cross-country license from another country. If not, a Supporting Member Day License (SMDL) needs to be purchased for each race day during the online registration process.
- B. All Québec skiers competing in Juvenile to Senior categories must also hold a SFQ annual license. Québec skiers competing in Midget categories must also have a SFQ license or buy a SFQ Day License online for each race day.
- C. Licenses for Para-Nordic guides are the responsibility of the visually impaired athlete. Although guides do not pay registration fees, they should register on Zone4 and must sign the CCC Discharge form at the Race Office unless they hold a valid CCC license.
- D. Aside from satisfying requirements (A) or (B), each full-time student athletes registering for the Ontario and Québec University series must must meet the academic standards specified in the appropriate Provincial Cup circuit specifications.

NOTICE OF DOPING CONTROL

Participants in the Eastern Canadian Championships must be aware that doping control tests may be conducted by the Canadian Centre for Ethics in Sport (CCES) on a random basis in accordance with the Canadian Anti-Doping Program.

If both "Club" and "Team" fields are filled in the Zone4 registration process, skiers will be asked to choose whether their bib will be distributed according to "Club" or "Team". Only coaches can pick up the bibs.

Clubs, teams and training centres will be charged a bib replacement fee of \$50 for each missing bib or chip at the end of each race.

TRANSPONDERS

Transponders will be used for all the distance races. They will be distributed in the area located behind the start.

Clubs, teams and training centers will be charged a transponder replacement fee of \$50 for each missing transponder at the end of each race.

IMPLEMENTATION OF THE NO DOUBLE POLE RULE AT EASTERNS

Clarification of no-double pole zone rule under the ICR

Internationally, FIS is concerned about preserving classical technique for the future and has asked National Ski Federations to test the implementation of no-double pole zones in FIS level domestic competitions this winter.

The OC is informing you that as per ICR 310.2.1 "the Jury may ban or enforce the use of specific techniques on marked sections of the course," the Jury will add a No-double Pole Zone during the classic technique races.

Clarification of the rule and sanctions

- i) Only diagonal technique including herringbone with diagonal movements of both arms and legs are allowed in the no double pole zone; this means there can only be one pole in the ground at any time. All other techniques are not allowed in the zone.
- ii) The zones will be clearly marked (start and stop) for the Official Training day; officials with video, as well as jury members will verify that the rule is followed during competition.
- iii) In case of infractions the jury will sanction the skier according to the ICR.

IMPLANTATION OF STEPPED TURN ZONES RULE

As per RIS 310.2.2.2, the OC will mark corners in the classic technique races. where stepped turn is allowed.

PROTEST

A payment of \$ 50 CAD will be required for each protest filed. The amount will be retained by the Organizing Committee in the event of a rejection.

The coach may file its protest until 15 minutes after the posting of unofficial results

for each category. The jury must render a decision as soon as possible after the end of the competitions of the day.

FEEDING

At race finish there will be juice and water available. There will be no feeding offered on the 5km course on the stadium during the long distance race on Sunday.

CONTACT

Please contact the Chief of Competition for all technical questions concerning the races, the courses, the scheduling, and start order. cec.competition@gmail.com

C. FACILITY INFORMATION

TRAILS FEES

Free use of trails will be provided for all registered competitors and coaches on training and racing days. Non-Nakkertok members using the trails on other days pay a day fee of \$15, Seniors pay \$12, Children between 5 and 17 pay \$8, and children under 5 are free. The fee(s) can be deposited in any of the day use fee boxes at the main chalet. The fees must be paid on training and racing days by individuals other than athletes and coaches using the trail system. Access to the racing trails on racing days will be restricted.

WAXING FACILITIES

Heated waxing facilities with power will be available and space will also be provided for teams bringing their own waxing tents. For clubs, teams and training centres using the on-site waxing facility, a list of registered skiers should be submitted to cec.race.secretariat@gmail.com by Wednesday 17 January, 2018 to ensure appropriate space allocation. Priority will be given to groups who have provided such a list. For those teams with their own waxing tents, please contact cec.race.secretariat@gmail.com by 13 January, 2018 to ensure space allocation. Teams bringing waxing tents are encouraged to provide their own power supply.

In accordance with the article 8.1, paragraph 3 of the Haywood NorAm Technical Package team technicians should wear at a minimum half mask respirators rated for Chemical Clean-up, Grinding, Masonry or Painting Spray units that provide protection against organic vapors and a minimum 95% efficiency against non-oil particulate aerosols. N95 (95% Efficient Protection Against Non-Oil Particulates). Full face masks will protect eyes from dangerous vapours and dust. The use of disposable gloves is also recommended as the skin represents a secondary source of exposure to toxins.

Wax testing can be done on the race course but coaches must leave it 15 minutes before the start as it will be closed. The Jury reserves the right to limit or restrict use of the race course if conditions warrant. The coaches can use the rest of the Nakkertok trails all the time.

All coaches on the course must ski courses in the direction of the race course when wax testing on it. Coaches who do not respect the wax testing guidelines will receive a verbal warning. The second warning will result in a monetary fine.

Both the glide testing area and the warm-up tracks will be groomed and prepared in the same manner and at the same time as the rest of the competition track in order to simulate race conditions.

GUIDELINE ON THE USE OF FLUORO GLIDE WAXES FOR MIDGET SKIERS

Use of non-fluoro (NF) or low fluoro (LF) glide waxes only. High fluoro (HF) or Medium Fluoro (MF) glide waxes, including HF or MF powders, pucks, blocks, and liquids are NOT permitted. Cold weather powder additives and hardeners are NOT permitted. The adherence to this guideline is self-governed and is the responsibility of the coaches, parents and wax technicians.

WEATHER

The weather in **Gatineau**/Cantley is often different than what appears in the city of Ottawa. Here is your best source for the race site weather. Weather reports will also be posted on site. http://weather.gc.ca/city/pages/qc-59_metric_e.html

Please note that competitions can be delayed or canceled due to temperature.

COURSE AND STADIUM MAPS

The Nakkertok Nordic Centre maintains 7.5 km of national competition standard trails for race events and training, including a 5 km homologated course. See the trail system map at <http://nakkertok.ca/wp-content/uploads/2017/01/Nakkertok-South-for-2016-17-1.pdf>.

Course and stadium maps are available on the event website at cecski.ca.

COMPETITION OFFICE

The competition office will be located above the garage. It will be open from 6 a.m. to 6 p.m. from 1 to 3 February and to 5 p.m. on 4 February.

NOTICE BOARDS

There will be three notice boards; one located near the barn, another one near the garage and the last one in the stadium.

CONTINGENCY PLAN

A back-up site has been identified for use in the case of poor snow conditions. Any change in the event location or timing will be posted as early as it is known on the event website (cecski.ca). If necessary, a decision on event cancellation or change of site will be made by CCC one week prior to the event, as recommended by the Jury. Any decision to refund will be in accordance with Section 2.6 of the NorAm Technical Package.
