CRITERIA CLARIFICATION

We've received inquiries about how the selection criteria for Halfpipe and Slopestyle/Big Air will be applied, and would like to clarify the below:

- The U.S. Athlete Ranking List referenced in 1.3.1 Halfpipe and Slopestyle/Big Air Objective Criteria and within 2.2.b Discretionary Selection Phase 2 removes the international athletes from the U.S. Athlete Ranking List. All U.S. athletes competing in the selection events are included when assigning selection points to the U.S. Athlete Ranking List.
- This is consistent with how the U.S. Athlete Ranking List was calculated during the Olympic selection process in Halfpipe in 2010 and Halfpipe and Slopestyle in 2014.
