DISCRETIONARY SELECTIONS

Athletes who have not met the Objective Criteria may be selected to the team based on a variety of factors, including competitions outside of the selection period, and/or they satisfy any of the following:

- Outstanding competition results from the 2019/2020 and 2020/2021 seasons, indicating a potential for success.
- Recent positive direction or trend of competition results indicating a potential for success.
- Indication of medal potential in future elite level competition (such as international age group results and age rankings) that would be materially enhanced by selection to the team.

All discretionary selections will be reviewed by a discretionary selection review group comprised of the U.S. Ski & Snowboard Sport Director, the U.S. Ski & Snowboard CEO, and the athlete representative from that sport who is a member of the U.S. Ski & Snowboard Board. If the U.S. Ski & Snowboard Board Athlete Representative is also a currently competing athlete then another athlete, who is not actively competing, will be selected by the Athletes' Council to be the representative in this group.

U.S. SKI & SNOWBOARD APPEAL AND GRIEVANCE PROCEDURES

Any member who believes that he/she has wrongfully been denied membership on any team whose members are selected through participation in "protected competition," as that term is defined in the USOC Bylaws, shall be entitled to appeal such decision.

The U.S. Ski & Snowboard Grievance Procedures can be found within section IX of the U.S. Ski & Snowboard bylaws found at: usskiandsnowboard.org
