Eligibility for Consideration:

U.S. Ski & Snowboard will consider for selection only those U.S. Ski & Snowboard members in good standing who have a valid U.S. passport, a valid USA-coded FIS license and who meet FIS minimum eligibility standards.

An athlete shall be ineligible for consideration if previously suspended or removed from team membership without having been reinstated by U.S. Ski & Snowboard. An athlete who has previously declined an offer of team membership shall not be automatically offered team membership unless that athlete specifically requests consideration and the U.S. Ski & Snowboard Slopestyle/Big Air Snowboard Head Coach approves the request.

The U.S. Snowboard Team will select only the most qualified athletes with the greatest possibilities for winning medals in future World Championship and Olympic Winter Games competitions.

Selection criteria will stress progress toward any individual performance markers, set forth by the U.S. Snowboard Team coaches, which point toward international success.

Athletes must demonstrate a capability to adhere to both U.S. Ski & Snowboard Values and Code of Conduct to be eligible for nomination.
