

**Coach and Service Positions Open for 2018 Junior World / Under-23 Championships  
Goms, Switzerland – January 28 – February 4, 2018 (<https://www.jwsc2018.ch/>)**

The U.S. Ski Team is seeking two coaches and five service persons to join Trip Leader Bryan Fish (USST) to this year's championships in Switzerland. The positions will be funded by National Nordic Foundation. Each position filled will provide invaluable experience to individual, club, and our developing ski nation. While a goal of the National Team has been to get many coaches experience on these trips, an experienced staff is paramount. All applicants are welcome. The work is hard and the job is rewarding.

The desired coaching applicant is a team player, and should have prior experience leading and participating in many camps and race trips. International experience is preferable, though not requisite. Applicants should be comfortable, clear, and effective in communicating regularly with athletes age 16 – 22, and be willing to work long days that may include leading team meetings, group activities, transporting athletes, orchestrating training sessions, mentoring athletes, and working with the service staff. All applicants must be licensed U.S. Ski & Snowboard coaches with a minimum Level 100 coaches' certification. Applicants must have a valid passport that has at least six months of validity after the final day of trip travel. All coaches on this trip must be able to drive manual transmissions.
