

National Development Group

The National Development Group (NDG) is a pool of the best 15-20 year-old athletes in the country. They are recognized with an invitation to at least one National Development project during the preparation period, and they will be the first athletes considered for invitations to D-Team projects.

Criteria to be named to the NDG for the 2020-21 season can [be found here](#).

2019-20 National Development Group

Women	Men
