

2020 U.S. Cross Country Team Nomination Criteria

Eligibility for Consideration:

U.S. Ski and Snowboard will consider for selection only those U.S. Ski and Snowboard members in good standing who have a valid U.S. passport, a valid USA-coded FIS license and who meet FIS minimum eligibility standards.

An athlete shall be ineligible for consideration if previously suspended or removed from team membership without having been reinstated by U.S. Ski and Snowboard. An athlete who has previously declined an offer of team membership shall not be automatically offered team membership unless that athlete specifically requests consideration and the U.S. Ski and Snowboard Cross Country Head Coach approves the request.

The U.S. Ski Team will select only the most qualified athletes with the greatest possibilities for winning medals in future World Championship and Olympic Winter Games competitions. Selection criteria will stress performance in the World Cup and the U23/World Junior Championships in the 2019-20 season. Selection criteria will also stress progress toward individual performance markers, set forth by the U.S. Ski Team coaches, which point toward international success.

Criteria Guidelines:

- The U.S. Ski and Snowboard Cross Country Head Coach is responsible for applying the selection criteria set forth herein, subject to the oversight of the Chief Executive Officer and the U.S. Ski & Snowboard Chief of Sport.
- Objective selections shall be based on the results achieved by athletes in FIS competitions held between November 1, 2018 and April 3, 2019, and on World Ranking as determined by the 8th FIS points list of the 2018-19 season, which includes all FIS results from March 24, 2018 to March 24, 2019 (the "selection period").
- Discretionary nominations, if any, may be based on a variety of factors, including competitions conducted outside of the selection period.
- Team status does not guarantee funding from U.S. Ski and Snowboard for competition or for preparation.
- No minimum team size will be established.
