

U.S. Ski & Snowboard College Services and Programs

U.S. Ski & Snowboard ACE helps support college pursuits for national team members.

U.S. Ski & Snowboard Tuition Reimbursement – U.S. Ski & Snowboard will reimburse students up to \$6,000 annually for college courses taken within the previous academic year (fall-summer terms) from any college. The application process for this program occurs 2x annually - in the fall (November-December) for courses taken the previous spring and summer terms, and in the spring (May-June) for courses taken the previous fall /winter terms. Please contact Mackenzie St. Onge for further information: mackenzie@usskiandsnowboard.org.

University of Utah – <http://admissions.utah.edu/>

- Application can be found here: <https://admissions.utah.edu/apply/residency/>
- For a student to qualify for in-state tuition under the Olympic Athlete residency exception from USOPC, the student will need to submit a completed and signed application, as well as a letter from the USOPC verifying the student's eligibility. Contact Megan Walther at megan.walther@usoc.org for questions on the USOPC in-state tuition benefit.
- Applications and letters can be submitted to U of U office at residency@sa.utah.edu. Students are welcome to contact the Office of Admissions, Residency Division if they have any questions. We can be reached at (801) 581-8761, option #5 for residency.
