

2021 U.S. SKI & SNOWBOARD AWARDS MANUAL

June 10, 2020

TO: U. S. Ski & Snowboard Sport Committee Chairs
U. S. Ski & Snowboard Awards Working Group

FROM: Bill Slattery, Chairman, U. S. Ski & Snowboard Awards Working Group
Tom Kelly, Vice Chairman, U. S. Ski & Snowboard Awards Working Group

Following is a complete outline of U. S. Ski & Snowboard's organizational awards, designed to honor athletes, coaches, officials and volunteers for service on behalf of our ski and snowboard athletes.

This manual is designed to assist you in management of awards selection within your sport, and to represent your sport in selection of organizational awards. It also includes a guideline for future awards you may wish to consider in your sport.

As a sport committee chair, sport director, we would like you to be working on your nominations during the course of the season, so that you can provide detailed nominations no later than April 5, 2021. We will send out nomination information and convene a conference call on April 7, 2021 so that the working group can participate in a discussion of the award nominations.

Thank you for your cooperation!

AWARDS RESPONSIBILITIES OF SPORT COMMITTEES

1. Review all award criteria for errors or omissions.
2. Program managers review all automatic 'event' awards within the sport before spring sport committee meetings; submit names to be entered into the awards manual for the permanent record.
3. Review and update any other sport-specific awards.
4. There will be public nominations on discretionary awards within the sport, submitted to Tom Kelly using the link he will provide to membership.
5. Sport committees make nominations on all organizational discretionary awards (Gold and Silver and having reviewed the public input) and submit to Tom Kelly their nominations using the link he will provide.
6. In the case of new awards sport committees wish to enact, a proposal on the new award should be submitted to Tom Kelly for the U. S. Ski & Snowboard Awards Working Group for approval *prior to* any selection of candidates for that award.

DISCRETIONARY AWARDS SELECTION PROCESS

1. All U.S. Ski & Snowboard awards are based on achievement and merit; there is no obligation to present awards each year or for a sport committee to submit a nomination.
2. Nominations from any individual, group or organization may be submitted through the U.S. Ski & Snowboard sport committees.
3. U.S. Ski & Snowboard sport committees review nominations and make a formal nomination by April 5, via the link provided by Tom Kelly which must include contact information, background on the nominee and reason for nomination.
4. Public nominations will be collated by Tom Kelly and provided to the members of the Awards Working Group; the sport committees will then make their selections for the discretionary awards into the link provided by him.
5. The Awards Working Group will convene a conference call on April 7 to discuss the nominations after which an email ballot will be prepared and sent to all voting members of the Awards Working Group.
6. A list of the award recipients will be submitted to the U.S. Ski & Snowboard CEO/President and Chairman on April 19.

U. S. SKI & SNOWBOARD AWARD NOMINATION FORM

This form, or comparable information sent electronically, should be used for submission of all award nominations, and for those persons selected by sport committees for sport-specific awards.

U. S. SKI & SNOWBOARD DIAMOND AWARD

JULIUS BLEGEN AWARD

The Julius Blegen Award is U.S. Ski & Snowboard's highest level award and is given annually to the U.S. Ski & Snowboard member who contributed his or her outstanding service to the sports of skiing or snowboarding in the United States. It is designed to recognize individuals who have made a significant contribution over a sustained period of time on behalf of the vision and mission of U.S. Ski & Snowboard.

The award began in 1946 and was originally presented to the National Ski Association (now U.S. Ski & Snowboard) by the Central U.S. Ski & Snowboard organization in memory of Julius Blegen, a former treasurer of the NSA from 1937-42 and first president of the Central U.S. Ski & Snowboard, as well as the American Olympic Coach in 1932. Since its inception, the Blegen has recognized many dedicated U.S. Ski & Snowboard members. The criteria were revised in 2017.

Eligibility

The Blegen Award is U.S. Ski & Snowboard's most prestigious award and those considered for that award must have demonstrated the following accomplishments in service to the organization.

1. An established history of distinguished service to U.S. Ski & Snowboard.
2. A lasting contribution to U.S. Ski & Snowboard.
3. Leadership and inspiration to U.S. Ski & Snowboard and its membership.
4. Positive influence on U.S. Ski & Snowboard on a national level.
5. Recognition by other industry groups for having achieved excellence.
6. General acknowledgement as having reached the pinnacle of their particular area of influence being considered.
7. Adherence to U.S. Ski & Snowboard's core values.

Rules of Governance

1. A Blegen Commission consisting of three persons is appointed by the U.S. Ski & Snowboard board chair. This commission will oversee the nomination and balloting process each year.
2. The Blegen Award winner will be selected by vote of living Blegen recipients, members of the U.S. Ski & Snowboard board and the voting members of the U.S. Ski & Snowboard Awards Working Group. A simple majority of votes is required for selection. In case of a tie, a secondary ballot will be undertaken between the tied nominees.
3. No individual may receive the Blegen award twice.
4. The chair of U.S. Ski & Snowboard may not receive the Blegen Award until he/she has retired from service in that office for at least one calendar year.
5. The Blegen need not be awarded each year and an individual may be nominated a maximum of five times.

U. S. SKI & SNOWBOARD GOLD AWARDS

U.S. Ski & Snowboard's Gold Awards represent the single highest honors in the organization. Among the U.S. Ski & Snowboard Gold Awards, U.S. Ski & Snowboard honors a deserving representative from each sector of its structure: an athlete, a volunteer, a coach and a club. U.S. Ski & Snowboard clubs provide the backbone for athletic programs, with coaches and dedicated volunteers providing the direction under which athletes can be successful. These recipients represent the vision and mission of U.S. Ski & Snowboard.

SELECTION PROCEDURE

The selection process for U.S. Ski & Snowboard Gold Awards is noted with each award.

AWARDS PRESENTATION

In general, sport awards are presented at individual events or activities within each sport. Some selected sport awards may be presented at the U.S. Ski & Snowboard Congress.

BECK INTERNATIONAL AWARD

U.S. Ski & Snowboard's Beck International Award, its highest athletic award, is presented to a competitor based on outstanding performance in international competition during the past season. The Beck award was inaugurated in 1931. Nominations come from U.S. Ski & Snowboard sport committees and are reviewed and voted upon by the U.S. Ski & Snowboard Awards Working Group and presented to the U.S. Ski & Snowboard president and chairman for ratification.

U.S. SKI & SNOWBOARD COACH OF THE YEAR

The U.S. Ski & Snowboard Coach of the Year Award recognizes outstanding contribution to development and international programs by a coach resulting in high-level performance by his or her athletes in competition during the past season. Coaches of the year are recognized for their leadership, commitment, sport knowledge and passion, including proven ability to foster athletic excellence amongst their constituents or teams.

An international and development award may be presented in each of U.S. Ski & Snowboard's sport programs, with an organizational winner selected from sport recipients for both international and development. The organizational recipients automatically are nominated for the USOC's International and Development Coach of the Year Award.

The respective U.S. Ski & Snowboard sport committees select the recipients of U.S. Ski & Snowboard's sport coaching awards. These recipients are then nominated for overall organizational awards, which are selected by the U.S. Ski & Snowboard awards working group, with ratification by the U.S. Ski & Snowboard president and chairman.

International – Works primarily in international competition arena including Olympic Winter Games, World Championships and World Cup.

Development – Works primarily in development programs through U.S. Ski & Snowboard competition clubs and the U.S. Ski & Snowboard national development program.

Coach of the Year Criteria:

- Nominee's accomplishments and results from current season
- Nominee's history and background in coaching
- Nominee's level of certification commitment to coach education
- Nominee's leadership within the club, region or nationally
- Any additional accomplishments which would enhance the current season nomination

U.S. SKI & SNOWBOARD SILVER AWARDS

U.S. Ski & Snowboard's Silver Awards represent a cross-section of the most important contributors over a very broad range of very important responsibilities. They all share in common ability and desire to take on leadership in their sport and to motivate others to higher goals. Most of these awards are made organization-wide and are reflective of the most significant contribution across the entire organization.

SELECTION PROCEDURE

Unless otherwise noted, nominations for U.S. Ski & Snowboard silver awards come from U.S. Ski & Snowboard sport committees. Sport committee nominations are reviewed by the U.S. Ski & Snowboard Awards Working Group and presented to the U.S. Ski & Snowboard president and chairman for ratification. Awards are presented based on achievement, and are not necessarily presented each year.

AWARDS PRESENTATION

In general, sport awards are presented at individual events or activities within each sport. Some selected sport awards may be presented at the U.S. Ski & Snowboard Congress.

PAUL BACON AWARD

U.S. Ski & Snowboard's Paul Bacon Award is given to an individual or group for the greatest contribution to U. S. Ski & Snowboard in the field of race organization. BUD AND MARY LITTLE AWARD

The Bud and Mary Little Award is presented to an individual who has contributed significantly to U.S. Ski & Snowboard skiing or snowboard interests through a long-term involvement in the FIS or Olympic sports communities, internationally or nationally. This is a one-time eligibility award; i.e. a winner may not be re-nominated.

One of the great leaders of American ski sport, Dr. Amos R. "Bud" Little, was a noted ski racer, coach and U.S. Ski Team doctor, and he served as an influential leader with the International Ski Federation and the then U.S. Ski & Snowboard.

A leader in alpine skiing, he became the representative for his sport with the U.S. Olympic Committee from 1952 through 1980, serving as the alpine team manager for the 1960 Olympics in Squaw Valley, as well as the FIS World Championships in 1962 and '67. He served as a competition official at both the 1964 and '68 Olympics.

While serving on the governing board of the National Ski Association (now U.S. Ski & Snowboard) from 1948-73, he also took on international roles. He was a member of the FIS Alpine Committee from 1960-67, and served as a vice president of the FIS from 1967-88, remaining an honorary member of the FIS Council. He passed away at 93 years of age.

WEST FAMILY AWARD

The West Family Award is given annually to recognize an outstanding dedicated U.S. Ski & Snowboard certified official for the year and/or over numerous years, from the 'grass root' membership – the lowliest gatekeeper on up. Nominations may be made by any certified official to their sport committee with selection for the award made by the voting members of the Awards Working Group. This is a one-time eligibility award; i.e. a winner may not be re-nominated. The donor of this award is the Fraser and Teddy West family.

DR. J. LELAND SOSMAN AWARD

U.S. Ski & Snowboard's J. Leland Sosman Award is presented to a member of the U.S. Ski & Snowboard Physicians' Pool who has made great contributions as a volunteer medical provider. In recognition of Doc Sosman and his endless commitment as a volunteer for the U. S. Ski & Snowboard, this award is given to an exceptional member of the "medical support team" who has provided outstanding medical coverage and service to the U.S. Ski & Snowboard athletes.

Dr. J. Leland Sosman, known affectionately as 'Sos,' was a U.S. Ski & Snowboard volunteer leader and pioneer for over 50 years. His service to the U.S. Ski & Snowboard and the FIS community was truly legendary. While never a formal member of the physicians' pool, Sos was known for his energy, persistence and passion for U.S. Ski & Snowboard sports. This award recognizes that individual of the medical community who best exemplifies these traits.

Nominations for this silver level award are made annually, with a selection being made through the U.S. Ski & Snowboard's awards selection process.

TEAM ATHLETES GIVING BACK AWARD

Many Team athletes donate time, money and their persona to various charitable and non-profit endeavors. To find a way to track and reward Team athletes for their philanthropic efforts, “Team Athletes Giving Back” was born through the generosity of an anonymous Trustee donor. U.S. Ski & Snowboard will help athletes showcase their charitable contributions and Foundations annually; the Awards Working Group will select one athlete to be awarded the U.S. Ski & Snowboard Team Athletes Giving Back Award which includes a \$5K grant to the Team athlete’s charitable cause or organization. The charity that wins an award is not eligible for another award for a period of five years.

U.S. SKI & SNOWBOARD SPORT AWARDS

U.S. Ski & Snowboard's sport awards are among the most important honors in each respective sport program. The awards, which are unique to each sport, are designed to honor those athletes, volunteers and others who have either achieved a specific goal, or have contributed to the sport.

SELECTION PROCEDURE

Unless otherwise noted, nominations for U.S. Ski & Snowboard sport awards come from U.S. Ski & Snowboard sport committees at their regularly scheduled meetings and in interaction with U.S. Ski & Snowboard staff. Awards are presented based on achievement, and are not necessarily presented each year.

AWARDS PRESENTATION

In general, sport awards are presented at individual events or activities within each sport. Some selected sport awards may be presented at the U.S. Ski & Snowboard Congress.

AL SISE OUTSTANDING ALPINE MASTERS AWARD

The Al Sise Outstanding Alpine Masters Award is given to the outstanding female and male alpine masters racers, based on results at the annual U.S. Ski & Snowboard Masters National Championships. The U.S. Ski & Snowboard National Alpine Masters Committee makes the selections. The award is presented in honor of Al Sise, the acknowledged father of alpine masters racing.

Albert Sise was one of ski racing's early pioneers in the United States. He raced at Mount Mooselauk in 1928 and competed in the first national downhill championship in 1933. He continued to race for fifty years competing in the U.S. Ski & Snowboard Senior Alpine Championships in 1981 when he won the giant slalom, slalom and combined titles. He was a strong advocate for veteran's racing insisting that it be well organized but conducted in a spirit of friendly competition.

BILL JOHNSON U.S. SKI & SNOWBOARD DOWNHILLER OF THE YEAR

The late Bill Johnson inspired generations of American downhillers with his 1984 Olympic downhill gold and three World Cup downhill victories. The award is sponsored by close friends from his ski racing career; Mark Schelde, Jon Franklin, and Tim Patterson to help preserve his legacy from that illustrious era for American downhill ski racing and to commemorate Bill by recognizing the top American downhiller each season in his honor; i.e. the outstanding U.S. Ski Team downhiller (male or female) with the top FIS World Cup performance results representing U.S. Ski & Snowboard. The tie-breaker will be the most FIS downhill points.

THELMA HOESSLER "TRUE NORTH" AWARD

The Thelma Hoessler "True North" Award is given in recognition of an Alpine Race Administrator who, through his or her efforts, education, and guidance, has supported the U.S. Ski & Snowboard Technical Delegates. Over the years, Thelma has been race administration's True North and we looked to her for guidance.

Governance of the Award – This award will be presented by the U.S. Ski & Snowboard Technical Delegate Working Group. Nominations will be accepted from any U.S. Ski & Snowboard or ACA Technical Delegate made annually to the chair of the U.S. Ski & Snowboard TD Working Group. Voting on the award is solely by members of the U.S. Ski & Snowboard TD Working Group. The vote will take place in advance of the U.S. Ski & Snowboard TD WG meeting scheduled during the Congress to allow recognition on the perpetual award and an individual award to be presented during the U.S. Ski & Snowboard TD Working Group meeting.

The True North award features the Big Dipper Constellation and Polaris, the North Star. The award features a silver plaque describing the award and space for 40 annual award plates.

SALLY DEAVER AWARD

The Sally Deaver Award is presented annually to the U.S women's slalom champion. It was originated by the Deaver family in memory of Sally Deaver, the 1956 and '57 slalom champion.

Sally Deaver Murray learned to ski at age 10 while attending North Country School in Lake Placid, New York. Her race career started after a ski vacation in Chile, South America. While skiing in the Andes she caught the "ski bug" and spent three seasons there under the coaching of Emile Allais, Stein Eriksen, Buddy Werner and Tom Corcoran.

Her most outstanding results came in 1956 when she won the National Women's Giant Slalom Championship and the National Women's Slalom Championship. She again won the National Women's Giant Slalom Championship in 1957 and captained the U.S. women's team for the 1958 FIS World Alpine Championships. She turned down a chance to be a part of the 1960 U.S. Olympic Team Training Squad to marry Benjamin H. Murray. Never having a serious skiing accident, it was her passion for the sport of equestrian which caused her death in 1963 after being thrown from her horse while training.

WILLY SCHAEFFLER AWARD

The Willy Schaeffler Award is given to the U.S. combined winners, man and woman at the U.S. Ski & Snowboard National U19 Championships. It is presented in memory of Willy Schaeffler, a skiing pioneer and former U.S. Olympic alpine coach who died in 1988.

Following World War II, Willie Schaeffler coached U.S. Army teams in Garmisch-Partenkirchen. He immigrated to the United States in 1948 and earned a degree in physical education at the University of Denver. He became an assistant professor and coached the University of Denver ski teams through 1970. During his tenure, the ski teams claimed 14 NCAA titles.

Schaeffler also helped found the Special Olympics and the Professional Ski Instructors of America.

ROGER WESTON AWARD

The Roger Weston Award honors the top high school boys' and girls' cross country ski teams competing at U.S. Ski & Snowboard Junior Olympics. The award was initiated to recognize the valuable contribution from high school skiing to the development of cross country ski racing across the USA. Roger Weston was instrumental in developing the sport of cross country skiing in the Mid-Atlantic division and across the US.

Weston suffered a broken neck and was fully paralyzed wrestling at age 18. Thanks to great doctors who wired him back together, he began to regain movement three months later. He took up skiing several years later as well as cycling, racing each. In the 70's he switched to just cross country skiing and coaching and returned to college for exercise physiology and sports science. After an athlete he worked with made the '84 Olympic Team he began a Future Stars Program for ski kids 8 years old & older.

In 1985, he received the US Ski Team Domestic Coach of Year Award. In 1990 he received the Russell Wilder Award for work in helping develop America's youth, through year-round training in Future Stars Camps. Several of these grown athletes are now among the best in the world and members of the current or former Winter Olympic Teams. Others have become top-level teachers and coaches.

MARTHA ROCKWELL AWARD

The Martha Rockwell Award recognizes the fastest woman in the 10-km at the U.S Cross Country Championships. The award is presented in honor of Martha Rockwell, an outstanding international competitor of the U.S. Cross Country Team in the '60s and '70s.

Martha Rockwell was a pioneer in the United States in women's cross country skiing. She started to compete nationally in 1969 at what was then considered to be the advanced age of 24. This did not prevent her from being a member of the first USA women's cross country ski team to compete at the Olympics. She also competed at the 1976 Winter Olympic Games. In 1973 she won her first international race, a 7.5K event at Castelrotte, Italy. She went on to win 5 of 6 races in Europe in 1975 and finished 10th overall in the World Cup. Between 1969 and 1975 she won several national distance titles and 18 of 19 possible championships over that period. Twice she was voted the USA's top Nordic competitor. Following retirement from competition she coached Dartmouth's women's ski team.

MIKE GALLAGHER AWARD

The Mike Gallagher Award is given to the senior men's overall winner at the U. S. Cross Country Championships. The award is presented in honor of Mike Gallagher, an outstanding international competitor on the U.S. Ski Team in the '60s and '70s, who is also a former U.S. Ski Team coach.

An outstanding skier, Gallagher earned the Junior National Cross-Country Ski Championship and the Relay Gold Medal in 1959. Nine Senior National Championships and seven Relay Gold Medals were among his accomplishments. He was a member of the U.S. National Cross-Country Ski Team from 1961 through 1974. He was on the U.S. Olympic Ski Teams in 1964, '68 and '72, and the World Championship Ski Teams in 1966, '70 and '74. He was also a member of the 1978 and '79 U.S. biathlon teams.

His coaching experience included head cross-country coach of the U.S. Ski Team from 1980 to '86, the U.S. Olympic cross-country coach in 1984, and U.S. World Championship coach in 1985.

TONY WISE AWARD

The Tony Wise Award is presented to the winner of the women's overall SuperTour title. The late Tony Wise was a pioneer in cross country ski event development, starting the American Birkebeiner; the Worldloppet, a series of 14 international ski marathons, and the Gitchi Game, the predecessor of today's SuperTour.

On December 15, 1947 Tony Wise first opened a ski resort that became known as Telemark Lodge. From this beginning he developed a master plan for developing cross country skiing in the area that had far reaching impacts. He created a regional U.S. Ski Team Training Center that eventually became home to the American Birkebeiner, the largest and most important cross country ski race on the winter calendar in the United States.

AL MERRILL NORDIC AWARD

The Al Merrill Nordic Award is presented to the individual or group involved with any aspect of nordic skiing (cross country, nordic combined or ski jumping), who or which demonstrates an exceptional level of commitment, leadership, and devotion to excellence. Each of the nordic sport committees submits a nominee with the final selection being made by the sport committee chairpersons.

Merrill coached the 1956, 1964 and 1968 US Nordic Olympic teams and for over two decades was the American representative to the cross-country committee of the International Ski Federation, the world governing body of ski racing. Merrill was the Director of Outdoor Affairs for Dartmouth College and its head ski coach from 1957 to 1972. He impacted positively on the sport and the people who came into contact with him.

MITTELSTADT SKI JUMPING OFFICIALS AWARD

The Mittelstadt Ski Jumping Award is presented annually to a U.S. Ski & Snowboard ski jumping official for outstanding ski jumping officiating and to the sport of ski jumping in the United States. The recipient is selected by the U.S. Ski & Snowboard Ski Jumping Officials Committee.

Frederick "Fritz" Mittelstadt was born and raised on a farm in Eau Claire County, Wisconsin. Skiing was a must as heavy snows in the late 1920s and early 1930s closed roads. He started ski jumping very young from snow bumps on small hills in the area close to home, then to the large hill in Eau Claire.

He had a long and varied career serving the United States Ski Association. He was certified by USSA as an alpine, cross country and ski jumping judge and technical delegate. He served as alpine race referee, cross country starter/timer and chief of competition.

At the NCAA Winter Sport Championship, he was nominated by Willy Schaeffler to be tournament director. He was chief of competition for two ski flying events at Ironwood, Michigan; jumping judge for five Olympic tryouts (1972-'76); technical delegate for National Championships, Lake Placid, New York, Brattleboro, Vermont and Eau Claire, Wisconsin; was appointed chief of jumping officials, Lake Placid Winter Olympics in 1980, plus served on the competition committee and judged at 90M and 120M competitions in the U.S. and Canada. He was the first American to judge a 90M competition in Japan.

PAUL NASH LAYMAN AWARD

The Paul Nash Layman Junior Award is given to the winner of the U.S. Nordic Combined Championship.

Paul Nash Layman, Jr. was an entrepreneur and a sportsman. From a waterfront home in the Hamptons, he became a championship sailor. He was a premier snow skier, trained in Europe and in Lake Placid, NY and was invited to participate in the Olympics in the 90 meter jump. He was a competitive water skier. He took up ski diving and was one of the first to consider using a parachute behind a speed boat, which later lead to the invention of the para-sail. His love of speed also lead him into race car driving.

PAUL BIETILA AWARD

The Paul Bietila Award is given to an American born skier winning the Normal Hill Competition at the U.S. Ski Jumping Championships. This trophy was donated in 1940 by Dr. and Mrs. H.C. Bradley of Madison, WI in memory of Paul Bietila, an outstanding ski jumper.

Paul Bietila was the fourth son in the famous Bietila family that brought fame to their native Ishpeming and earned the name "The Flying Bietilas". At the age of 12 he set a national junior record of 185 feet. In 1938 he finished third behind the Ruud brothers of Norway at the national championships. He was also national intercollegiate champion that year.

On February 5, 1939 he was injured in a practice jump in St. Paul, Minnesota at the national championships and died three weeks later. Recognized as the best American ski jumper of his time, the Paul Bietila Memorial Trophy is awarded annually to the top American jumper at the national championships.

TORGER TOKLE AWARD

The Torger Tokle Award is given to the large hill champion at the U.S. Ski Jumping Championships. The Norway Club of New York originated the award.

Torger Tokle was a young ski jumper who came to America from his native Norway in 1939 and who, after a spectacular career, laid down his life for his adopted country six years later in the Ski Troops of the 86th Mountain Regiment; assigned the mission of reducing a German stronghold at Monte Terracia in the Apennines, he led his men into action, was hit, and died on the battlefield.

DOROTHY GRAVES AWARD

The Dorothy Graves Award is given to the best overall female jumper at the Junior Olympics. Dorothy (Dottie) Graves was a Class A ski jumper who competed throughout the decade of the 1940's.

From her home in Greenfield, MA, she traveled to all of the eastern hills and also to competitions in other parts of the U.S. and Canada. She was exceptional in that she competed equally with men during her competitive career. The award recognizes her pioneering role in the sport, while it awards today's top female jumper in the sport.
