Lockton Companies thanks you for the opportunity to discuss your insurance and risk management program. This summary is a brief overview of that program and is based on the exposure information you provided. Please refer to the policies for complete terms, conditions, limitations, definitions, and exclusions. Higher limits may be available upon request.

Lockton Companies does not guarantee, or make any representation in regard to, and expressly disclaims responsibility for, the financial condition of insurance companies with which we place business. Any rating information contained in this document has been obtained by a third-party rating agency, and we do not represent or warrant its accuracy.

Commercial general liability

This is a general overview of insurance coverage that applies to the U.S. Ski & Snowboard club liability insurance program (CLIP). It is not a complete explanation of all policy provisions or specifics of the policy benefits. No coverage is extended, and no representations are made, other than what is stated in the actual insurance policies.

Insurer	SiriusPoint America Insurance Company
General liability limit summary	General liability: \$5,000,000 each occurrence Policy aggregate: \$5,000,000

The most that can be paid for any one occurrence (e.g., one accident) is \$5,000,000 on the general liability policy.

Defense costs are outside of the general liability policy limits. For example, if a CLIP club is sued and it costs \$2,000,000 to defend the suit and there is a settlement of \$100,000, the portion of the policy's general aggregate that is "used" by this claim is \$100,000.

Certificates of insurance

All participating U.S. Ski & Snowboard CLIP member clubs receive a certificate of insurance (proof of coverage) following registration as a U.S. Ski & Snowboard CLIP Member club and acceptance by the insurance company. For this reason, all U.S. Ski & Snowboard CLIP applications are contingent upon the U.S. Ski & Snowboard CLIP member club receiving its certificate of insurance.

If a U.S. Ski & Snowboard CLIP member club needs to provide a certificate of insurance to a venue or facility and the venue or facility requires additional insured status, these certificates may be obtained by submitting a request for a certificate of insurance along with the CLIP application each season.

This summary is a brief overview of coverage. Please refer to the policies for complete terms and conditions. Higher limits may be available upon request.

How to request a certificate of insurance:

- The Certificate Request Form link can be found on U.S. Ski & Snowboard's website.
 - Please include the venue or facility's legal name and address.
 - Please allow a minimum of two days for processing requests.
- Additional guidelines:
 - Do not offer to name venues or facilities as additional insureds.
 - You should only request to add entities as additional insureds when it is a requirement for using the facility.
 - It is the club's responsibility to provide copies of the certificate of insurance to their own additional insured venue or facility.
 - All certificates of insurance that you receive should be filed in a safe place.

U.S. Ski & Snowboard background screening and SafeSport requirements

Any adult member of U.S. Ski & Snowboard who is appointed to a position of authority over, or who has regular contact with athletes must clear periodic criminal background screening and complete SafeSport training annually. This includes U.S. Ski & Snowboard adult members in a position of authority over or in regular contact with athletes and those whom the club formally designates to be in a position of authority over athletes, and the U.S. Ski & Snowboard club governance board members, unless a prior exemption exists.

Sexual abuse and molestation insurance coverage is contingent upon adult member compliance with the background screening and SafeSport requirements as set forth by U.S. Ski & Snowboard to be a member in good standing. (Note: Based on membership type, there may be other requirements that need to be fulfilled prior to a member being in "good standing" with U.S. Ski & Snowboard.)

- Who does this apply to?
 - Designated club administrators
 - Club Board of Directors
 - Adult members affiliated with the club
- Who does this not apply to?
 - Short-term members
 - Alpine Masters members not in a position of authority over or in regular contact with athletes

Background screening compliance

- All adult background checks must be completed before coverage is in effect. Please refer to www.usskiandsnowboard.org for details.
- In the event a member's background check comes back as unacceptable, the member and club will be notified, his/her/their membership will be considered null and void, and the member will not be allowed to participate in any U.S. Ski & Snowboard sanctioned events/activities or club activities.
- Note that coverage will not apply if an adult member of a U.S. Ski & Snowboard CLIP member club who is in a position of authority over or in regular contact with athletes is not screened and an abuse and a molestation claim arises, as a result of the coach, official or volunteer who was not screened.
- Please keep in mind that a condition of being a U.S. Ski & Snowboard CLIP member club is that all your members are also members of U.S. Ski & Snowboard in good standing, so it is not anticipated that you will have club representatives who are in a position of authority over or are in regular contact with athletes who are not members of U.S. Ski & Snowboard. No coverage is available for sexual abuse and molestation claims if a loss rises from an individual for whom a background check was conducted.

SafeSport training compliance

- U.S. Ski & Snowboard prohibits the following conduct:
 - Sexual misconduct
 - Physical misconduct
 - Emotional misconduct
 - Bullying, threats, and harassment
 - Hazing
 - Willfully tolerating misconduct
- As a condition of membership, all U.S. Ski & Snowboard members are required to complete annual SafeSport training and agree to abide by the SafeSport Code and the Minor Athlete Abuse Prevention Policy (MAAPP) as detailed on the U.S. Ski & Snowboard website at <https://www.us skiandsnowboard.org/safesport-athlete-safety>.
- Every U.S. Ski & Snowboard member must report suspected violations of the SafeSport Code. If you suspect that a child is experiencing misconduct of a sexual nature, don't investigate yourself. Call local child protection authorities (police or child welfare office) and the SafeSport hotline (833-5US-SAFE).
- If you have a doubt on whether misconduct is occurring, please err on the side of reporting.
- Conduct which does not involve sexualized conduct, but which may violate one of the six categories of prohibited conduct (as stated above), may be reported to:
us skiandsnowboardsafesport@us skiandsnowboard.org.

U.S. Ski & Snowboard risk management resources/items for consideration

Risk management contacts

- U.S. Ski & Snowboard has partnered with Lockton Companies to assist U.S. Ski & Snowboard with its risk management needs. Members of the U.S. Ski & Snowboard CLIP may contact Sheryl Barnes at sheryl.barnes@usskiandsnowboard.org or a member of Lockton's U.S. Ski & Snowboard service team at 303.414.6000 for additional insurance/risk management information.

Coaches' clinics

- Coaches' clinics are available for U.S. Ski & Snowboard club coaches to secure up-to-date information on the safest coaching methods. Certification of coaches at different levels is also available. For more information on these clinics, contact the U.S. Ski & Snowboard Sport Education Department at 435.647.2050 or sporteducation@usskiandsnowboard.org.

Contracts

- Your club may be required to execute an agreement with another entity (for example, to use a facility for ski practice) and it is important that you fully understand the terms and conditions of the proposed agreement. Most agreements include hold harmless and indemnification language, and we encourage you to take the following best practices into consideration when reviewing the indemnity and hold harmless provisions of any agreement.

Acceptable

- Other party indemnifies and holds U.S. Ski & Snowboard CLIP member club harmless for losses, and U.S. Ski & Snowboard CLIP member club doesn't indemnify or hold other party harmless; or
- Each party is responsible for its own negligence – mutual indemnification and hold harmless; or
- U.S. Ski & Snowboard CLIP member club indemnifies and holds other party harmless but not for losses arising from other party's negligence (or other party's sole or gross negligence). This is acceptable although above options are preferable.

Not acceptable

- U.S. Ski & Snowboard CLIP member club indemnifies other party and holds them harmless for any and all losses (including those arising from other party's own negligence), and other party doesn't indemnify or hold the U.S. Ski & Snowboard CLIP member club harmless.

*Fees include U.S. Ski & Snowboard club membership and club membership benefits

It will be important to review your roster online at www.usskiandsnowboard.org and notify U.S. Ski & Snowboard Member Services of any additions and changes needed, as coverage will be dependent on your final club affiliation history.

Only U.S. Ski & Snowboard Member Clubs are eligible to participate in the U.S. Ski & Snowboard Club Liability Insurance Program. Eligibility for U.S. Ski & Snowboard club membership requires compliance with the following club minimum Standards.

Club minimum standards requirements

- Agree to support and align with U.S. Ski & Snowboard's mission, values and code of conduct.
- Agree to adhere to SafeSport code and the U.S. Ski & Snowboard Minor Athlete Abuse Prevention Policies (MAAPP), U.S. Ski & Snowboard's concussion policy and background screening protocol for all those in a position of authority over or in regular contact with athletes.
- Demonstrate that club leadership, including employees and board members, and those whom the club appoints to positions of authority over athletes are U.S. Ski & Snowboard members in good standing, (academic faculty and staff, such as teachers, who are not directly involved in sport programs with athletes are exempt from membership).
- Provide evidence of legal existence in their state of primary business operations. For example, clubs must show that they are a licensed business entity in good standing. Examples of documentation may include a current business license, certificate of good standing from state of incorporation, a link to the business' page in the secretary of state's business lookup in the state you are incorporated or other proof of business existence.
- Demonstrate that they possess general liability insurance. This requirement may be satisfied either by joining U.S. Ski & Snowboard's CLIP program or providing U.S. Ski & Snowboard with evidence of coverage comparable to that provided by CLIP. If through another entity, our club will provide U.S. Ski & Snowboard with a certificate of insurance (COI) naming U.S. Ski & Snowboard as an additional insured.

The CLIP club insurance application is subject to review and approval by member services. The submission of this application does not obligate U.S. Ski & Snowboard to accept the application or to issue a policy. The applicant declares to the best of their knowledge and belief, after reasonable inquiry, the statements made in the application and any attachments or information submitted with the application, are true and complete.

U.S. Ski & Snowboard reserves the right to deny coverage under the CLIP program to any club after reviewing the application and making a risk assessment/management decision based on several factors including but not limited to the club meeting minimum standards, prior claims, and risk history. Coverage will not be denied on the basis of race, gender and gender identity, color, sexual orientation or religion.

Our club acknowledges that master's members have two membership options: Alpine Master and Alpine Master (w/requirements). Our club accepts responsibility to determine if its Alpine Masters will be in a position of authority over or have regular contact with athletes and determine if its Alpine Masters need to complete criminal background screening and SafeSport education.

The services a particular Lockton company provides to each client ("Client") will be subject to these Terms of Business in the absence of conflicting terms in a written services agreement executed by Lockton and Client. Client's direction for Lockton to render consulting, insurance/risk management consulting and/or brokerage services on its behalf shall be deemed Client's agreement to be bound by the terms contained herein.

SURPLUS LINES; INSURANCE PREMIUMS AND RELATED TAX OBLIGATIONS

Lockton may not be able to procure insurance in the admitted marketplace on the terms and conditions specified by Client. In such event, Lockton's insurance proposal may include placements with insurer(s) not licensed to transact insurance in a particular jurisdiction and not subject to the supervision of such state's insurance department. Any such surplus lines coverage will be made pursuant to applicable insurance laws governing the placement of insurance with nonadmitted insurers. A state insurance guaranty fund will not respond in the event the surplus lines insurer should become insolvent. Furthermore, policy forms, conditions, premiums and deductibles used by surplus lines insurers may be different from those found in policies used in the admitted market.

Client is responsible for all insurance premiums due and any applicable surplus lines, sales, use, excise or other taxes for insurance coverage placed by Lockton. If Client fails to pay any premium in full by the due date indicated on the premium invoice, the coverage may be subject to cancellation by the insurer(s), and such nonpayment, in addition to any nonpayment of fees or expenses due to Lockton as set forth herein, shall be considered a material breach of these Terms of Business.

Lockton shall have no liability for any errors or omissions in any services provided to Client, including the placement of insurance on Client's behalf, that are the result of, arise from, or are based, in whole or part, on inaccurate or incomplete information provided to Lockton. Client understands that the failure to provide accurate and complete information to an insurer, whether intentional or by error, could result in the denial of claims or rescission of coverage altogether. Client will review all policy documents provided to Client by Lockton and shall inform Lockton of any inaccuracies, deficiencies or discrepancies contained therein.

CONFIDENTIALITY; DATA PROTECTION INFORMATION NOTICE

Lockton and Client acknowledge that the nature of Lockton's relationship with the Client is one in which the Client may disclose to Lockton certain of the Client's information ("Information"), some of which may be of a confidential or proprietary nature, to enable Lockton to provide services to Client. Pursuant to applicable data protection laws, Lockton is deemed to be a "data controller." This means that Lockton is responsible for deciding how it holds and uses personal data about Client.

Lockton may use personal data received from Client in its role as an insurance intermediary. This may include for the purposes of quotation/inception, policy administration, claims processing, renewals, marketing and other purposes necessary for the provision of insurance throughout the insurance lifecycle.

INTERMEDIARIES

When, in Lockton's professional judgment, it is necessary or appropriate, Lockton may utilize the services of foreign or domestic intermediaries to assist in the servicing, marketing and/or placement of Client's insurance/risk management programs. However, this may only be done after consultation with Client. Lockton will advise Client whether any proposed intermediary is affiliated with Lockton. Any such intermediary shall be compensated by commissions earned on placement of Client's policies handled by that intermediary, or by payment of a separate fee agreed to by Client and the intermediary if commissions are not properly payable on Client's placements. Such commissions and fees shall be in addition to the compensation paid to Lockton.

LOGOS

Unless otherwise instructed by Client, Lockton may, without notice to or consent by Client, use Client's logo, pictures and other publicly available information to effectively market Client's insurance programs or in Lockton's marketing materials.

INSURANCE PROPOSALS AND SUMMARIES

Insurance documents prepared by Lockton containing proposals to bind coverage, summaries of coverages and certificates of insurance placed are furnished to Client as a matter of information for Client's convenience. These documents are not intended to reflect the terms, conditions, limitations and exclusions of such policies, are not themselves insurance policies and do not amend, alter or extend the coverages afforded by such policies. The insurance afforded by the proposed or placed policies is subject to all the terms, conditions, limitations and exclusions contained in such policies.

USE OF A PARTICULAR INSURER

Lockton is not obligated to utilize any particular insurer. In addition, Lockton is not authorized to make binding commitments on behalf of any insurer, except under certain circumstances which Lockton shall endeavor to make known to Client. Lockton shall not be responsible for the solvency of any insurer or its ability or willingness to pay claims, return premiums or other financial obligations. Lockton does not guarantee or make any representation or warranty that insurance can be placed on terms acceptable to Client. Lockton will not take any action to replace Client's insurers unless Client instructs Lockton to do so.

NO RELIANCE

Any reports or advice provided by Lockton should not be relied upon as accounting, legal, actuarial or tax advice. In all instances, Lockton recommends that Client seek independent advice on such matters from professional accounting, legal, actuarial and tax advisors.

RESPONSIBILITY FOR INSURANCE PROGRAMS

Lockton will not be responsible for the adequacy or effectiveness of any insurance programs or policies implemented or placed by another broker, including, without limitation, any acts or omissions occurring prior or subsequent to Lockton's engagement.

RELATIONSHIP BETWEEN THE PARTIES

Client acknowledges and agrees that in no event shall Lockton owe any enhanced or special duties to Client, express or implied, in fact or by law, whether referred to as a special relationship or fiduciary relationship or otherwise, except to the extent required by applicable law.

COMPENSATION DISCLOSURE

Lockton is committed to delivering a superior client experience through our customer-centered service model. Lockton wins and keeps clients by operating with complete integrity. We fulfill that pledge by providing fulsome disclosure regarding Lockton's sources of income—whether received from insurance companies or third parties—to clients.

Unless applicable law or contractual agreement between Lockton and insurers states otherwise, any commission that Lockton is entitled to receive for any placements is fully earned at inception of the insurance program, and Lockton is entitled to retain such commissions in the event of a midterm cancellation of coverage or a reduction in coverage resulting in a premium adjustment.

Lockton may receive compensation in a number of ways, including 1) commissions paid by an insurer, calculated as a percentage of premiums, or 2) negotiated fees paid by a client in lieu of, or in addition to, commissions. These commissions or fees received are for the placement/renewal of a client's insurance/risk management program, day-to-day servicing, risk control services and/or other services Lockton has agreed to provide on a client's behalf.

Lockton may also be eligible to receive other forms of compensation such as incentive or contingency payments or bonuses and/or supplemental commissions from insurance companies, intermediaries (which may be affiliated with Lockton) or other third parties as a result of being an insurance broker (collectively, "Additional Compensation").

Contingency payments or bonuses are based on the overall performance of a partial or entire book of business Lockton places with an insurance company, and Lockton's eligibility and the amount of any such compensation may vary depending on the line of business and a number of "contingent" factors related to future performance such as overall premium volume, premium growth year over year, persistency, profitability and/or retention targets set by the insurer. As such, a contingency payment received by Lockton from an insurer is difficult to tie back to any particular client insurance policy. Additional Compensation in the form of supplemental commission is established at the beginning of each calendar year based on Lockton's historical and current performance typically measured using some or all of the same performance factors by which contingency payments are calculated. Lockton may also receive service fees from insurers for consulting, managing general agency arrangements and/or analytics or administration services specific to an insurer including, without limitation, consulting in the development of insurer sales, product and/or marketing plans to broaden available coverage for Lockton clients. These service fees are not tied to, dependent on or identified with any particular client or insurance placement.

At times, insurers may also request that Lockton Re, LLC, a reinsurance intermediary broker affiliate ("Lockton Re"), place facultative and/or treaty reinsurance on their behalf and compensate Lockton Re for any such placement(s), subject to Lockton Re's Terms of Business agreement.

Lockton may also receive interest or investment income on funds temporarily held by it, such as premiums or return premiums, service fees or other compensation from premium finance companies for administrative services provided to or on behalf of premium finance companies relative to the financing of client insurance premiums.

Please contact your Lockton representative if you have specific questions regarding the compensation Lockton receives as it relates to your account.
